## RESIDENT SERVICES

The senior citizens enjoyed a busy month of December. Christmas parties were held at each facility. The citizens of Charleston Place were adopted by a local church, and every resident was able to submit a wish list and receive those items as Christmas gifts. A local group of homeschoolers brought Christmas caroling to each of the facilities, and provided every senior with a new blanket. Seniors from the Manor were taken to Columbia for the RIC 2018 Senior Citizen Christmas Gala.
