RESIDENT SERVICES

78 of the 80 residents of Garden Apartments signed up to receive Easter baskets full of goodies. Here are a couple of our senior citizens with their new baskets.

The volunteers and mentees of the 100 Black Men of the Upstate volunteered at the GHS Minority Health Summit.

59 resident TGHA children received "Be a Bunny" Book Totes for Easter. The totes were donated by

the United Way and were filled with games, snacks, treats, stuffed animals, and age-appropriate books.
