RESIDENT SERVICES

Senior Citizens Commodity Supplemental Food Box Program

Resident Services partners with Harvest Hope Food Bank Program to provide supplemental food boxes for senior citizens @ The Manor at West Greenville. When we first opened the application list in September 2017, thirteen seniors enrolled. Since then, eight more individuals have enrolled in the program. Each box contains 35 lbs. of food. Every month, Harvest Hope delivers the 21 boxes each month to the Resident Services office. The Resident Services staff then delivers the boxes to the residents at the Manor.
