Family Self-Sufficiency (FSS) participant Eric Williams graduated from Greenville Technical College with an Associate degree in math and science. Eric immediately obtained employment at Dave & Buster's as a cook, and plans to continue his education at USC Upstate, where he will pursue a Bachelor's degree in Business Administration. Eric will be recognized for his achievements at the FSS Night of Empowerment Banquet in March.

Seven mortgage loan lenders, representing six local Financial Institutions, attended TGHA's HCV Homeownership Program Information & Collaboration meeting. Each attendee expressed interest in participating as a lender in the Homeownership Program, and plans are underway to move forward in partnership with each Financial Institution.
